Tea Grinder

TVTG-84GTB-TW

The TVTG-84GTB-TW is a professional tea grinder designed for consistent powdered tea preparation in busy beverage environments. With an 84mm ghost-tooth burr, timing and weighing modes, and multi-level grind adjustment, it helps operators produce repeatable texture and portion control across different tea recipes.

Ideal for bubble tea stores, cafés, dessert bars, and high-volume drink outlets, this grinder supports smoother workflow, reduced powder waste, and more consistent drink quality. Its 1L hopper, anti-static system, temperature monitoring, and removable chute make it practical for daily commercial use.
